WORK EXPERIENCE

APIXCEL (2024 - Ongoing)

1. Full STACK DEVELOPER (06-06-2024)

- Developed interactive and user-friendly UIs using React and Next JS, ensuring seamless interaction between frontend and backend
- Led and completed the most complex aspects of a large-scale project, showcasing expertise in Web sockets, problem solving, and backend API design
- Recognized and praised multiple times for consistently delivering high-quality work with proficiency and attention to detail.

2. MERN STACK DEVELOPER INTERN (06-03-2024)

- Designed responsive web pages using Next.js, ensuring a smooth user experience across various devices.
- Contributed to the development of a multi-vendor service-providing platform, enabling seamless interaction between vendors and customers.
- Enhanced knowledge of backend technologies, focusing on Express and Mongoose for efficient server-side development.
- Gained hands-on experience in building scalable web applications and working in an agile team environment.

PROJECTS

■ Next Commerce - Multi vendor e commerce platform

[Live link](#) | [Client site](#) | [Server Site](#)

Technology : Next JS | Redux toolkit | Node JS | Prisma | Payment Gateway(Stripe) |

Features :

- Shop management : Vendors can create product with multiple color and each color have multiple sizes and quantity.
- Admins can suspend vendors to pause their activity, and unsuspend as well. After 30days of suspension period the vendor account will automatically deleted
- Customers can give review to their ordered products, that will effect on the products overall rating.

■ On The Go - Travel Guide Platform

[Live link](#) | [Client site](#) | [Server Site](#)

Technology : Next JS | Tailwind CSS | Shadcn UI | Redux Tool kit | RTK Query | Payment Gateway(Aamarpay) |

Features :

- Implemented a post reaction system enabling travelers to upvote or downvote content shared by other users.
- Designed an account verification system requiring users to gain at least one upvote on a post before verifying their account through a paid process.
- Enabled premium content posting for verified users, restricting access to premium posts to only verified members.

Education

Diploma in Engineering | Shyamoli Ideal Polytechnic Institute | 2022 - Present
